

**WYOMING TERRITORY** in the 1870's will provide the setting for NBC's new Laramie series which premieres Tues., Sept. 15 at 7:30 p.m. Cimarron City's young star, John Smith, will play Slim Sherman, a typical cowboy. Hoagy Carmichael will be "Jonesy" and you can figure on the latter being good for a few tunes now and then. Robert Fuller will play Jess Harper. They plan on using guest stars as well as other feature players.
