

**The United Cerebral Palsy of Orange County drive for funds will get under way here Saturday at 10:30 p.m. with a special 17½ hour telethon.**

Joel Moore, in charge of arrangements, tells us that stars of the telethon will be Marvin Miller, Mike Anthony of the Millionaire, who will be handing out non-negotiable million dollar checks to donors to the cerebral palsy cause, Tony Gillman, Bob Fuller, star of Laramie, and Stubby Kaye, star of Li'l Abner.

There will be over 40 entertainment acts and six bands on the telethon. The telethon will originate at the Municipal Auditorium and you are invited there for free if you wish to attend. Proceeds are used to maintain the treatment center at 2473 S. Orange Blossom Tr. where speech, occupational and physical thereapy are afforded.

You can mail contributions to "Palsy" care of Citizens National Bank, or of course, you may carry them to the Municipal Auditorium during the show hours.

The Cerebral Palsy Treatment Center here has been doing a great work and they need all the help you can give them. If everyone in Orange County would contribute a dollar or two to this cause there would be plenty of money to meet the financial expenses at the center.
