

THE TALL MAN series was working on the next soundstage to the Laramie series at Revue yesterday. Tall Man stars Barry Sullivan and Clu Gulager played a scene high atop a mountain set. Laramie stars John Smith and Robert Fuller finished a chase scene, spotted what was going on next door, and sneaked up behind Barry and Clu. The Laramie director shouted "Cut!" Smith and Fuller jumped up from behind a rock with guns drawn on Barry and Clu and hollered "Hands up!" The whole crew broke up and the four actors got together for a sarsaparilla at the coffee wagon before the next take.
